## NEW, IMPROVED AND MORE ENVIRONMENTALLY CONSCIOUS SIZE

From reducing the size of our brochure to this new bespoke size we are proud to be able to reduce our environmental impact by the following parameters;

-  **10.86 tonnes** of carbon emissions would be reduced Carbon Balancing our paper order.
-  **2763 kWh** saved by reducing the electrical energy usage of the job.
-  **36,727** Car miles neutralised.
-  **3.06** Equivalent of taking this many average petrol cars off the road each year.
-  **220 times** you could drive the distance from Malin Head to Mizen Head.
-  **4,57** Number of passenger return flights Dublin - New York.
-  **7,599m<sup>2</sup>** of High Conservation Land preserved and protected.
-  **1.06** Equivalent football pitches of land preserved & protected.

## THE COMPLETE BATHROOM PORTFOLIO

## A WARM WELCOME

RT Large is one of Ireland's leading wholesale and distribution companies for the plumbing and bathroom sector in Ireland. With branches in Dublin and Dungannon we are continually expanding to meet the growing needs of the Irish market. Our locations ensure efficient distribution and access to products.

With 50 years experience and a trusted reputation, our team carefully source each item to provide you with the highest quality in bathroom design and functionality. We stock a variety of well-known brands such as RAK Ceramics, Bayswater, Tavistock, and Saniflo to name a few.

**5 YEARS**  
on **Destino Accessories**

### TERMS & CONDITIONS

For a full list of terms and conditions please contact us directly. Please note, all measurements are in millimetres and together with photographs and technical drawings are for guidance only. Colours may vary. Images shown are for guidance only. We reserve the right to change specification without prior notice. Please note due to manufacturing tolerances pipe centres on radiators and towel warmers may vary by +/- 10mm, we recommend that pipe work is not altered until your towel rail / radiator is on site.

### COMPATIBILITY

Whilst the majority of R.T. Large's bathroom products are compatible, care should be taken on product selection prior to ordering to avoid installation issues. Technical drawings are available on request.

### ERRORS & OMISSIONS

In the interest of continuous development of products, R.T. Large reserve the right to change colour, designs and product specifications without prior notice.

# OUR BRANDS

*Signature*  
COLLECTION

**RAK**  
CERAMICS

**With creative ingenuity from our in-house product development team, may we present the R.T. Large Signature Collection. Incorporating latest design trends along with customer needs, The Signature Collection has been designed with you in mind.**

The Signature Collection gives everyone the unique experience of creating their own bathroom.

From ultra-short projection to ample countertop space the Signature Collection has a solution for all bathroom settings.

**At RAK Ceramics we help to create icons, we help to build marvels and our products feature in some of the most iconic buildings in the world.**

We are known for our wide product range and our ability to produce bespoke ranges for both small and large scale projects, enabling our clients to bring their ideas to life. We respect, we inspire, we improve, we deliver; today, tomorrow, no matter the ambition, no matter the challenge, at RAK Ceramics we take care of all the details, however large or small, so you don't have to.

Our passion and expertise combined with this careful attention to detail enables us to provide you with a wide range of integrated ceramics solutions, allowing you freedom to be creative and plenty of room for imagination.

## TAVISTOCK

**Functional, stylish and backed with excellent guarantees, Tavistock products will help you create the perfect relaxing sanctuary in which to start or finish your day.**

Tavistock's extensive range includes bathroom furniture, contemporary shower enclosures and showers, sanitary ware and taps.

We also have a great choice of finishing touches, from mirrors and cabinets to toilet seats and bath panels.

So, whether you're a get-up-and-go shower lover, someone who takes their 'me' time seriously, a born organiser or indeed all of the above, we have a host of products that will perfectly suit your individual needs.

**Our Folio range includes everything you need to create a stylish and functional bathroom. Our products are made from high-quality materials, ensuring durability and longevity.**

Our range is designed to suit all styles and budgets so you can find the perfect products for your bathroom.

Whether you're looking for a sleek and modern look or a more traditional style, the Folio range has something for everyone.

# RESONATE

Images for illustrative purposes only

With Bluetooth wireless technology, LED illumination, heated demister pad and touch control, this is the epitome of a multifunctional bathroom mirror. With two styles to choose from, this slim, modest design will sit beautifully above a more contemporary bathroom vanity unit.

Note: The touch sensor needs to be kept 15cm from any obstruction

# EVADE

Images for illustrative purposes only

An intuitive, multipurpose mirror for the modern bathroom. This slim-depth and simply styled mirror conceals lots of useful features such as infrared sensor control, demisting doors and bright LED illumination.

Note: The infrared sensor needs to be kept 15cm from any obstruction

To protect floors and ceilings from expensive water damage caused by leaks from shower trays, baths and work surfaces we recommend using Flexi-Seal. See page 284 for details.

# SLIP RESISTANT SLIM SHOWER TRAYS

## SHOWER TRAYS YOU CAN TRUST

Slip Resistant trays feature the latest development in surface materials which exceeds all EU standards for barefoot bathing, giving the bather increased confidence and providing a safe showering experience of all ages.

The slip resistant properties are embedded in the material, rather than a coating on the surface, meaning that it cannot be removed and is comfortable to stand on. The textured surface provides a high level of stain resistance ensuring that your tray maintains a pristine appearance throughout its lifetime.

- Available in both High Gloss and SR Finish (slip and stain resistant)
- Slim design at only 45mm high
- Structured resin bonded stone filler for increased stability
- Suitable for 90mm waste (supplied separately)
- Extensive range of shapes and sizes
- Covered by a Lifetime Guarantee
- **PTV values - Dry: 65 PTV / Wet: 39 PTV**

Dimple texture on shower trays

# WETROOM TRAY FORMERS

Independently tested to demonstrate that our unique patent applied structure can withstand in excess of 1 ton of applied weight without notable deflection. Whilst being incredibly strong, our formers have also remained light-weight. As an example, our 900mm x 900mm former weighs only 11.5kg. This level of performance is unmatched by any other floor former on the market.

DESCRIPTION	CODE	PRICE
900 x 900 x 22mm	WFF900	£484.00
1000 x 1000 x 22mm	WFF1000	£484.00

## FLEXI-SEAL

Use Flexi-Seal to protect floors and ceilings from expensive water damage caused by leaks from shower trays, baths and work surfaces.

Flexi-Seal uses a combination of a durable flexible rubber with a waterproof butyl based adhesive to give maximum protection between the application surface and tiles or panels.

Since the rubber is flexible, it will maintain a watertight seal whilst allowing for a certain amount of movement that is inevitable, particularly with new builds.

Available in 2m, 3m, 4m, 10m & 20m rolls.

2m	Code TFLEXI2	£31.00
3m	Code TFLEXI3	£46.50
4m	Code TFLEXI4	£61.50
10m	Code TFLEXI10	£151.50
20m	Code TFLEXI20	£301.50

PROTECTS AGAINST WATER DAMAGE CAUSED BY LEAKS

## BONDMASTER TANKING SYSTEM

- Kit for tanking shower rooms
- Contains Tilers Primer, Polyester Joint Tape, Waterproof Liquid Membrane & Polyester Matting
- Used prior to fixing ceramic wall tiles
- Ensures a water tight barrier preventing water penetration
- Suitable for use on a wide variety of surfaces including concrete, cement-sand rendering, plaster, plasterboard and moisture stable timber boards
- Not recommended for outdoor use
- Covers 6sq metres

Code	WFTANK6	£95.50

# iCON FAN COLLECTION

The iCON range offers a stylish and innovative approach to ventilation. The unique 'iris' system operates by opening and closing as required. This greatly reduces back draft and external noise ingress.

The units come in three variations; iCON15, iCON30 and iCON60 which are customised for various applications as can be seen in the table below. All units come as standard in a white finish with the option to upgrade from a choice of finishes and control module options. Note that the iCON range has been designed to provide ventilation levels that meet the latest Building Regulations ADF.

## FEATURES

- Conforms to IPX4 rating
- Range of finishes available
- Stylish, slim and unobtrusive in walls or ceilings
- Unique iris shutter, prevents back draughts, operates silently
- Interchangeable control modules match fan to installation requirements
- Circular design, no squaring up
- Very simple installation
- 3 year warranty

# WHIRLPOOL BATHS

Whirlpool Baths – Bringing you a piece of heaven for your bathroom.

## What is a Whirlpool Bath?

Whirlpool Baths, available from R.T. Large, are a great feature to install in your bathroom. A whirlpool bath is a bath that has been fitted with whirlpool jets, which are placed on the side of the bath body, these are then operated by controls that are placed onto the ledge of the bath.

All the whirlpool baths from R.T. Large are attributed with great style, unbelievable functionality and contemporary design. More so, the high standard of quality parts and equipment allow you to enjoy a luxurious experience.

## How do Whirlpool Baths work?

Whirlpool baths are operated by air and water. The suction of the whirlpool takes the water from the bath via a suction plate and into the pump, the pump then forces the water out through the whirlpool jets. The force of the water being pushed out of the jets can be adjusted with an air controller.

R.T. Large Whirlpool options, are available on many of our inset baths in a variety of jet configurations. Look out for the Whirlpool logo in the bath section to see which baths are suitable for the application. All attributes of our whirlpool bath ensure optimum satisfaction.

**Please Note;**  
There is a 3 week lead time on all Whirlpool Baths.

## Adding a Whirlpool option

If a bath has a Whirlpool option it will have an icon like the ones below. Each icon shows how many jets are available for that particular bath so just add the code when placing an order.

## Tesla Radiator Element Control Plate

**Technical Information –**  
The Tesla towel rail control plate is used to control the output of your towel rail element. The towel rail element can be wired directly into this control plate, in the bathroom.

This control gives you five increments of control, from 20% up to 100%, indicated by the LED lights. The 2 hour boost function switches the element to full power for 2 hours, then reverts to the previous setting. Optional chrome cover plate available.

# COSYTOES

Suitable for domestic and commercial installations, Cosytoes TRADEMAT is ideal for almost anywhere that requires efficient and economical heating.

Now you can have the affordable luxury and practicality of a tile or stone floor that is warm and inviting to walk on, even on the coldest days.

Cosytoes TRADEMAT can also be installed in a screed or self-levelling compound under most floor finishes such as hardwood and laminate following manufacturers advice, and carpet or vinyl.

- Completely safe
- Maintenance free
- Efficient, intelligent control
- 160 watts per square metre
- Safe 9 watts per linear metre
- Suitable for insulated concrete or timber sub-floors
- More wall space, no radiators
- Healthier environment, less airborne dust

“That warm comfortable feeling begins with the feet”

## 3 Simple and Easy Steps

- 1. EASY TO SIZE**  
Floor area in sq.m. less than 10%, less any area of fixed objects.
- 2. EASY TO LAY**  
Staple, hot glue, clip, screw or use Cosytoes plastic push in fixings to fix down the backing net. Cut the net between wire loops to change direction. Correct spacing assured. Simply tile the floor as normal using flexible adhesive.
- 3. EASY TO USE**  
Use Cosytoes pre-programmed Timerstat for accurate simple time and temperature control.

Full installation instructions included.

USE ANY COMBINATION OF THE FOLLOWING TO HEAT THE REQUIRED AREA.  
ALWAYS CHOOSE THE MAT OR COMBINATION THAT IS EQUAL TO OR LESS THAN YOUR REQUIRED AREA.

Code	Product	Output Watts / m.sq.	Total Output Watts	Area Covered Square Metres	Matt Size	Price
COSYTM10	TM1	160	160	1	0.5m x 2.0m	£137.50
COSYTM15	TM1.5	160	240	1.5	0.5m x 3.0m	£179.50
COSYTM20	TM2	160	320	2	0.5m x 4.0m	£220.00
COSYTM25	TM2.5	160	400	2.5	0.5m x 5.0m	£268.00
COSYTM30	TM3	160	480	3	0.5m x 6.0m	£302.50

## Manual Timerstat

- Features**
- Simple on / off button
  - Useful individual room stat for timed circuits
  - 16amp switching capacity up to 23m<sup>2</sup> of mat
  - Floor sensor included
  - Twist dial temperature adjustment

COSMAN £102.00

## Wireless Stat - White

- Features**
- Simple installation
  - Can be fixed or used mobile
  - 16amp switching capacity up to 23m<sup>2</sup> of mat (multiple receivers can be used to control even bigger areas)
  - Six settings each day
  - Floor sensor included
  - Instructions and tech spec
  - Receiver is recessed fitting

COSWIFIWH £196.00

## Mirage Electronic Stat - White

- Features**
- Time display
  - Holiday function
  - Key lock
  - Hold function
  - Internal and floor sensor selection
  - Floor high temperature protection
  - Off time frost protection

## Boiler Tap

### Tap Details

- Height: 343mm
- Width: 166mm
- Colour/Finish: Polished Chrome
- Material: Brass
- Style: Modern
- 360° Swivel Spout
- High Quality
- Tri Flow Kitchen Tap
- Hot + Cold Lever Mixer Handles with standard water on the right
- Child safe spring lock boiling water dispenser
- Replaceable carbon filter provided
- Minimum Tap Hole Size: 35mm
- Guarantee: 5 Year

### Boiler Details

- Touch Screen Digital Interactive Control
- 2.4 Litre Boiler Unique
- Unvented Design Eliminates Extra Pipework
- Temperature Adjustable from 75°C to 98°C
- Unobtrusive Easy Clean Compact Design
- Guarantee: 2 Year

The instant hot water appliance is an open vented system appliance when not being operated the pressure is 1.0 bar.

The operating pressure is 1.5 bar to 5 bar.  
Replacement Cycle for Water Filter – 3-6 Months

# PRODUCT FEATURES

## FURNITURE

- SOFT CLOSE DOORS / DRAWERS**  
Soft close doors / drawers reduce the amount of maintenance and adds life longevity to your furniture by lessening the stress on hinges and hinge plates.
- CHOICE OF HANDLES**  
We aim to give you that bespoke custom feel by offering a variety of handles, whether it's ultra modern or more traditional style, we have it covered.
- STORAGE BOX OPTIONS**  
A simple and contemporary storage solution. Our modular boxes design is cleverly proportioned to fit seamlessly in your furniture drawers. These functional units are ideal for housing bathroom essentials, sundries and smaller accessories, with lidded options for your convenience.
- SHORT PROJECTION**  
The perfect choice for those looking to gain some extra space in their bathroom, this option gives a slim depth unit while not compromising on functionality. These units are designed not to protrude as far as standard depth units and therefore take up less floor space in the bathroom.
- LIGHTING OPTIONS**  
A convenient strip lighting kit. Perfect for brightening dark in-drawer spaces and helping you find bathroom essentials quickly and easily.
- PUSH TO OPEN**  
No need for handles or knobs. The telescopic drawer slide gives full access to the drawer and also has a disconnect option for easy installation and removal.
- CERAMIC BASIN**  
Units supplied with a ceramic basin option; Ceramic Basins offer durability in your bathroom. Ceramic sinks have an extremely strong surface that is resistant to scratching, chipping, and impacts, which makes them able to withstand the rigors of everyday use.
- ISOCAST BASIN**  
Units are supplied with an isocast basin, these isocast basins give a slick and precise finish to sit proudly on top of the furniture. Each basin is made to perfection ensuring the basin and unit combination are the design feature of any bathroom.
- WORKTOP BOWL OPTION**  
Giving you even more choice to your furniture we have included a selection of a worktops and a variety of styled vessel basins and not limiting your choice to the traditional ceramic basin.
- WORKTOP UNDERSLUNG BASIN**  
To offer additional options for you, we have included a choice of a worktops and under-mounted basins. This option is designed with style in mind but also to give space and functionality back to a busy bathroom environment.

## MIRRORS

- LED LIGHTING**  
LED lighting products produce light up to 90% more efficiently than incandescent light bulbs. LED lighting is more efficient, versatile, and lasts longer.
- INFRARED SENSOR**  
An infrared sensor helps to detect the movement of your hand and turn the LED lights on without an unsightly pull cord hanging down.
- HEATED DEMISTER PAD**  
Heated mirror demister pads ensure that your mirror remains crystal clear even in the steamiest bathrooms. Attempting to wipe away the steam is ineffective and only results in soiling the mirror, making it even more difficult to clean.
- COLOUR TEMPERATURE & DIMMABLE**  
The main advantages of CCT (Colour changing technology) adjustable lights are that you're not stuck with one colour temperature and you can change it depending on the function of the room.
- BLUETOOTH AUDIO**  
These bathroom mirrors with Bluetooth speakers enable you to connect your phone wirelessly, allowing you to stream music, radio, and podcasts while you shower.
- IP44 RATING**  
A product that has a rating of IP44 means that it is protected against solid objects that are bigger than 1mm and water splashing from all directions.
- WIRELESS CHARGING**  
These mirrors have a smart contactless sensor so you can charge your wireless charging devices without having to plug them in.
- CHARGER SOCKET**  
These elegant and stylish mirrors will ensure you never get caught without power for your shavers and electric toothbrushes.
- LANDSCAPE OR PORTRAIT**  
The choice to place the mirror either in Landscape or Portrait format.
- TOUCH SENSOR**  
Touch sensor operated LED light.

## SANITARY WARE

- COMFORT HEIGHT**  
Comfort height toilets measure 4-5cm higher than a standard toilet, this makes them more comfortable for the user. A comfort height toilet may be the best option for you if you're taller, elderly or less mobile as there's less pressure on the knees and other lower body joints. Sitting down and getting up is made easier by the extra height.
- WALL HUNG**  
A wall hung toilet is mounted onto the wall instead of the floor. The cistern is fitted into the wall and is accessible via a flush panel. As the toilet pan floats a few inches above the floor, it creates the illusion of a larger bathroom and makes cleaning easier too. The toilet pan is mounted onto a wall frame.
- BACK TO WALL PAN**  
A back to wall toilet has been designed to be positioned against the wall with the cistern and pipework hidden from view so that only the toilet pan is visible. The cistern can be fitted into a WC unit or into the wall.
- RIMLESS TECHNOLOGY**  
The rimless design makes it exceptionally hygienic and easy to clean, a simple wipe of the rim means there is nowhere germs can hide. Water is projected around the bowl to reach every part and ensure it is completely clean.
- FULLY SHROUDED**  
A fully shrouded toilet, meaning the waste pipe and water inlet are "fully shrouded" within the ceramic, so the toilet sits flush against the wall.
- EXPOSED INLET**  
As the name suggest the pipework for the pan are exposed at the back, this allows access to the water supply for the cistern.
- OPEN BACK**  
Open back toilets are not fully concealed to the wall. This allows for easy access to pipework.
- SHORT PROJECTION**  
A short projection toilet means that it has a shorter depth than standard, and therefore does not protrude as far, taking up less floor space. A short projection toilet is ideal for a small bathroom or cloakroom suite.

## BRASSWARE

- ECO SAVE TECHNOLOGY**  
A two setting option available on the taps that reduces flow by 50% with the first setting and full flow with the second setting. This feature helps to conserve water.
- 180° SWIVEL HANDLE**  
We have a wide variety of furniture handles; whether it's an ultra-modern look you are after or a more traditional style, we have it covered.
- MATCHING SHOWERING OPTION**  
This tap offers a matching showering option to complete your desired bathroom.
- FREE STANDING BATH FILLER OPTION**  
This tap offers a matching Freestanding bath filler giving you the complete look.
- LOW PRESSURE**  
Low-pressure taps respond to this pressure by use of a drop-by-drop water surplus. Low-pressure taps are made to compensate for the high pressure that builds up between your water pipes and the hot water processing system. Using suitable low-pressure taps is crucial if your home plumbing system is open-vented.
- ANTI-LIMESCALE**  
One of the key issues is that limescale can build up around 'hot spots' within the showering system. To eliminate this issue, Anti-Limescale technology works by lengthening the heating elements as well as widening the gaps between the coils. This means that the heating tank runs at a consistent temperature throughout, eliminating the chance for 'hot spots' and the build-up of limescale.

## SHOWERING

- TOUGHENED SAFETY GLASS**  
Is stronger than regular glass. This added security is achieved by heating the glass at a high temperature and rapidly cooling. The result is a wetroom panel that is more resistant to impact, giving you peace of mind in your bathroom shower.
- CLEAN - CLEAR GLASS COATING**  
Ensuring your enclosure stays easy to maintain, we offer Clean - Clear Glass Coating. The coating on our glass means that water will be less likely to gather and pool on the surface of the glass, instead it will run down the glass leaving fewer streaks and stains.
- RANGE OF STABILISING OPTIONS**  
We offer a range of stabilising options for our wetroom panels so you get the best piece of mind no matter what type of installation you incur.
- MAGNETIC CLOSURE**  
All our enclosures offer magnetic closing systems to try eliminate the enclosure being accidentally opened while in use.
- REVERSIBLE**  
Our Enclosures are reversible where possible, meaning they can allow for either a right or left side opening.
- 25 - 50mm ADJUSTMENT**  
Offering adjustment on all enclosures for out of plumb walls.
- QUICK RELEASE ROLLERS**  
Our enclosures are fitted with quick release rollers where possible. Quick release rollers allow access for cleaning in difficult to reach areas, simply unclick the rollers, clean and click back into place when done.
- TMV2**  
A TMV2 fitting is designed for use in a domestic environment. They work with water pressures of between 0.1 bar and 5 bar, and are ideal for use in households and other domestic settings.
- COOL TOUCH**  
Cool touch' version ensures that the metal valve body does not get warm to the touch, unlike conventional bar mixer showers. With cool touch, the cold supply runs across the valve before being 'mixed' to ensure added showering comfort and safety for children when showering.
- TMV3**  
TMV3 fittings have been specifically designed for use in healthcare environments. Hospitals, care homes, and other similar settings must use these; installing TMV2 valves would not suffice. TMV3 fittings are also designed to work with much higher water pressures, from 0.2 bar to 10 bar.

## BATHS

- ULTRA SLIM DESIGN**
- MODERN MID-EDGE FINISH**
- TAP LEDGE**  
The bath has a built in tap ledge for fitting a deck mounted bath filler or bath shower mixer if desired.
- TAP HOLES**  
The bath come pre-drilled with tap holes.
- WASTE INCLUDED**  
The bath has wastes included with the package.
- LEG OPTIONS AVAILABLE**  
The free standing bath has an option for chrome or black claw feet.
- COLOUR OPTIONS**  
A choice of colours options available for your bath.
- WHIRLPOOL JET OPTIONS**  
The bath has an option for whirlpool jets.

## HEATING

- TOWEL HANGING OPTION**  
A bathroom radiator is a great way to complete the look of any bathroom but also has the practical use of warming your towels. A heated towel rail is easy to install and come in lots of different sizes and styles to meet your needs.
- ALUMINIUM RADIATOR**  
Aluminium radiators transfer the heat from the boiler to the room faster than steel radiators. They require less heated water from the boiler and will be faster to respond to changes in the room heat requirement, reducing any wasted heat.
- DESIGNERS CHOICE**  
Designer radiators are designed to add unrivalled and superior style and comfort to any room of your home, without compromising on functionality.
- SIZE OPTIONS AVAILABLE**  
A comprehensive range of sizes available suitable for all bathrooms.
- COLOUR OPTIONS**  
A choice of colours options available for your radiator.
